Dear Mr. Rojas:

This is to inform you that the Department of Water Resources received the 2010 Urban Water Management Plan for the City of Delano on July 18, 2011. The reviewer of your plan will be contacting you.

However, in your cover letter you indicated that the Plan has not yet been adopted and that it is scheduled for adoption at the City of Delano's next City Council meeting on August 1, 2011. The Department of Water Resources is required to have in its files a copy of the Plan's Adoption Resolution before we can begin work. Please forward a copy the Adoption Resolution for Delano's 2010 UWMP to my attention as soon as one becomes available.

Thank you very much for your attention to this matter.

Good day,
Guyla
